THIS IS UNEVALUATED INFORMATION

The EMW works, Eisenach (formerly BMW) manufactured 1,560 passenger cars, Type 340, in the first half of 1953, and 2,520 motorcycles, Type R-35 and 250 ccm. About 400 of the cars were for delivery to Scandinavia, but they were not accepted because the material was not up to specifications, especially the steel work.
